Volunteer Criteria

Holidays are a great time to volunteer and reach out and help the homeless and the hungry. Volunteers are often the glue that holds a community together. Volunteering allows you to connect to your community and make it a better place. However, volunteering is a two-way street, and it can benefit you and your family as much as the cause you choose to help. Dedicating your time as a volunteer helps you make new friends, expand your network, and boost your social skills. Below are some essential qualities for volunteering:

Essential Qualities

- Ability to make a regular commitment
- Ability to work with other people
- Reliability
- Ability to maintain confidentiality
- Ability to accept boundaries
- A non-judgemental attitude
- Honesty and sensitivity
- Ability to accept initial and ongoing training and support
- Desire to be a volunteer
- Ability to empathise
